FOR IMMEDIATE RELEASE

NOTICE TO ALL VETERANS POTENTIALLY IMPACTED BY THE ADAMS COUNTY DATA BREACH

It has come to the attention of Adams County officials that Liberty ID has issued a press release on August 21, 2018 concerning the Adams County data breach. The press release incorrectly states that Adams County is working with Liberty ID. Adams County has NOT partnered with Liberty ID and is NOT working with Liberty ID in any way. Adams County has NOT vetted Liberty ID and has NOT entered into any partnership with Liberty ID to provide any credit monitoring services and/or identity theft restoration services. To date, as indicated in the original notification, Adams County is unaware of any reports of identity theft as a result of the data breach. The August 21, 2018 press release issued by Liberty ID was not approved by Adams County and was issued without the knowledge of Adams County.
